About Me

I am an enthusiastic individual getting into the way of becoming front-end developer and pursuing my bachelor's degree on B.Sc.IT (Hons) at LBEF Campus located at Maitidevi, Kathmandu. LBEF is affiliated to APU Malaysia which is one of the popular university in the world. Currently, I am learning and developing skills and knowledge in the field of information technology.

Aim

To be a successful Web Developer (Front-end Developer)

Projects

- Own Web Portfolio
- Responsive login & registration page using HTML, CSS & JavaScript
- Academic website: "LBEF" using HTML, CSS and JavaScript.
- JAVA Cafeteria Management System

Familiar Languages & Tools

- HTML, CSS, JavaScript, JAVA, C, C#
- Adobe Photoshop, Adobe illustrator, Figma, VS Code
